---	---

using the tax and asset protection strategies of the most successful real estate investors.

This event is FREE and online--with you sitting in the comfort of your home.

We have Anderson business experts online answering your questions LIVE at this event.

Register now before this event fills up.

Sincerely,

**Clint Coons, Esq.**

P.S. We've seen what happens when there's economic turmoil—tempers flare, lawsuits fly—and we want to help you **avoid the drama** by keeping your assets safe from the IRS, creditors, and aggressive lawyers. You will get **asset protection** strategies that you won't hear anywhere else.

Register now to discover our unique formula for creating personal wealth and preserving it for generations to come.

## Come to this Event and Discover:

- The secret tax “loophole” the government wants you to have so you can **accelerate your tax savings by as much as 3X**.
- If you apply this **one simple “wealthy investor” formula**, you can build a steel cage around your assets, so your wealth is bulletproof--**protecting you and your family** for years to come.
- Discover the sneaky ways your CPA has you believe you are getting all the **tax deductions** possible--even though you are entitled to many more.
- Why putting YOUR name on your LLC is **the LAST thing you want to do** when you set up an LLC for asset protection. (Discover our 3 best strategies.)
- The TRUTH about the tax plans of billionaires (**i.e., Elon Musk, Warren Buffett, and Jeff Bezos**) is NOT what everyone is saying. Discover the real tax plans the billionaires use to build wealth.
- **All LLCs are the same, right?** Wrong! There are different forms of LLCs for different purposes--especially if you're a **buy-and-hold real estate investor**. Discover why.
- PLUS much more!

## Who Should Attend This FREE Event?

You should attend if...

- You like the idea of **getting rich in real estate** but are not sure the best way to go about it.
- You hate the idea of the **government taking *more of your money*** while your take-home pay remains the same.
- You want to know **how the rich in this country get ridiculously rich** using simple and legal tax formulas that anyone can use.
- You're **concerned about what the economy will be like in 2023** and how it will affect your personal wealth.
- You like the idea of **saving \$10,000, \$50,000, or \$100,000** in taxes in the coming years. We will show you a little-known tax "loophole" the government wants you to have--**but it's ending soon**, so there is little time to waste.
- **You have an LLC for your business** and properties, but NOT sure if it's as ironclad and as secure as you thought it was. We'll put you on the right track.
- **You have tax questions.** Lots of tax questions! We will have tax experts online answering your questions LIVE at this event. Sign up now.
